

Model: DP 207L

Schools - Colleges - Universities

Board Rooms - Auditoriums - Conference Rooms

Ops Rooms - Training Rooms etc.

Digital Podium/ Electronic Lectern

Technical Specifications

Type // Mountaing Tree Standing , Wheel Mountaing Learning KAC seed heet, polymer powder coated, Wooden Top, all directional wheels with lock. No ports, fwire exposed while the Podium is locked and not in use to social any int all of broakings or indivending. Cooling from in lower body			
In part of the reading or mishordling, Cooling Fens in lower body Monitor Monitor Mighly sensitive, Josith Interactive Tooch Monitor with motorized lift facility and mechanism to make the panel stable to croid any kind of shake while wiring.
